INTERNSHIPS

JavaScript Developer

Jan 2023 - Apr 2023 | Indore

Successfully completed a 3-month internship at Web Dev Army in Indore, specializing in JavaScript development. Acquired practical experience in front-end technologies, including proficiency in building dynamic and interactive web applications. Collaborated with a dynamic team and gained insights into industry best practices. Eager to apply and expand upon the skills acquired during the internship in future endeavors.

Projects

Personal Portfolio

Crafted a sleek portfolio website using HTML, CSS, and JavaScript, featuring a user-friendly design and dynamic elements. Implemented a stylish dark mode option for enhanced user experience, showcasing both technical proficiency and aesthetic sensibility.

Resume Generator

Developed a Resume Generator using React JS, streamlining the resume creation process with a user-friendly interface. Seamlessly integrates React components for a dynamic and efficient resume-building experience.

JavaScript Website

Created a JavaScript website showcasing a collection of small projects, blending HTML and CSS for an engaging user interface. Explore diverse mini-projects, demonstrating coding skills and versatility in web development.

E-commerce Laravel

Developed a robust e-commerce website using full-stack PHP Laravel, featuring an intuitive admin panel and user dashboard.
